JUSTIN WILDER DOERING

Justin Wilder Doering is a Boise State graduate from Coeur d'Alene, Idaho. His longheld interest in the perception of homelessness in the United States steered his desires to hear and share the stories of the families and individuals we walk past everyday. As a photographer and journalist, Justin funded a Kickstarter and embarked on a 13,000-mile, 105-day journey to capture a rare glimpse into the lives and stories of America's homeless. With a goal to bridge the gap between perception and reality, fifty interviews across 36 states will be crammed into a book called *Fifty Sandwiches*.
