How to get a bed at CFH:

Weather Amnesty:

Weather Amnesty runs from November 1 to April 1 every year for rough sleepers and year-round if you are a vet (please be prepared to show your DD214 or VA ID, or be willing to go get it ASAP). We can take up to 15 men every night; women will have to access weather amnesty at one of the sites listed below. The Center will add service dates and number of men served at our discretion if conditions create a severe weather emergency. Weather Amnesty runs from 8pm until 8am during the week and until 10am on the weekends. No drugs, alcohol, or paraphernalia is allowed inside, and you are expected to come in sober.
